3. Candidates are not allowed to carry any papers, notes, books, calculators, cellular phones, earphones, scanning devices, pagers, log tables etc. to the Examination Hall.

Any candidate found using, or in possession of such unauthorized material or involved in copying or impersonation or adopting unfair means or behaviors will be disqualified and may be subjected to penal action.

4. This examination is of objective type. There are a total of 100 questions and the total time allotted is 2 hours. All questions are compulsory and carry 1 marks each. Every correct answer will get 1 marks and 0.25 marks will be deducted for every wrong answer.

5. The candidates must check that the Question Booklet has 100 questions with multiple choice answers. If any discrepancy is found, immediately report to the Invigilator, so that Question Booklet may be replaced.

6. Each objective question is followed by four answers out of which one is correct. Your task is to choose the correct answer and mark your answer on the OMR Answer Sheet, NOT on Question Booklet.

7. Completely darken the CIRCLE so that the alphabet inside the CIRCLE is not visible. Darken only one circle for each answer. The CORRECT and the WRONG method of darkening the CIRCLE on the OMR answer sheet are given in the example below:

Correct Method

Wrong Method

8. Use blue/black ink ball point pen only for filling the boxes and darkening the circle on OMR Answer Sheet. Do not use pencil.

9. Folding/ wrinkling or putting any unwanted mark or damaging the OMR Answer sheet is prohibited. The candidate will be responsible for invalidation of the OMR Answer sheet for doing such deeds.

10. Space has been provided at the end of the Question Booklet for rough work.

11. The candidates are not allowed to leave the examination hall before the OMR answer sheets are collected and counted by the invigilator.

12. Candidates are provided with carbonless OMR answer sheet. They must submit the original copy to the invigilator and take away the carbon copy with them.
